

Your child is a special gift from God and will be welcomed and loved by trained staff members each Sunday. We want to provide the best love and care possible!

Visit our Nursery
Bible class!

10-11am every Sunday

(If you would like to join us, please
make prior arrangements
with Mr. Garry.)

Let us help your child grow
as Jesus grew: "...in wisdom,
in stature, and in favor
with God and man."

- Luke 2:52

Infant and and Toddler Care

Birth to Two Years Old
Sundays 8:30am - 12:30pm

Campbell Church of Christ

Our Vision:

Planting seeds of faith in children
by providing a foundation for God-centered
worship, Biblical knowledge,
and future Spiritual growth.

In a loving, secure environment we introduce the following concepts in our Nursery:

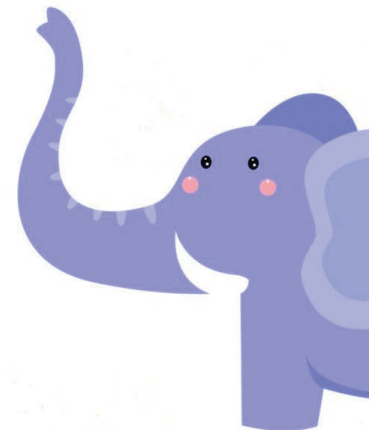

- The **BIBLE**, as our source of knowledge about God
- **GOD**, as our loving Creator and the Creator of the world around us.
- **JESUS**, who came to earth as a tiny baby and grew up showing His love for us.
- Our **RESPONSIBILITY** to show our love in return by growing up to work for God.

Every Sunday, babies and toddlers are gathered for a short, interactive, music-filled Bible lesson with lots of songs, things to see and touch and experience! By illustrating the many wonders of God's creation all around us, we hope to build and nurture a strong faith that will sustain each child for a lifetime.

A Few Things to Remember:

- In order to protect the health of all babies, we cannot accept a baby who is ill with a cold or fever.
- Please label all belongings including diaper bag, bottles, blankets, pacifier, etc.
- We are happy to warm a bottle, but we cannot offer your baby any food other than a bottle. During Bible Class our babies who are on solid foods receive a snack of Cheerios. If this is not appropriate for your child, please notify a caregiver.
- Please inform the receptionist of any schedule changes, preferences, or other info that will help us care for your child.
- A name tag sticker will be attached to your child's clothing and the parent or caregiver will keep a second corresponding sticker. Children will be released only upon presentation of this second sticker. This is for the security and protection of your child. Please wait at the entrance counter for your child.

- A pager will be given to you upon check-in, allowing us to reach you if necessary.
- Nursery bedding is changed after each use. Beds and toys are wiped daily with a sterilizing solution.
- If you need to check on your child while in the nursery, please use the window to avoid unnecessary disruption.
- Nursery caregivers may not give medication to any child. .
- Children will be promoted each September (those 2 years old by September 1) into Wee Worship and Bible Class.
- Next door in Room 3 is a comfortable area provided for breastfeeding mothers who prefer the option of feeding their babies in private with fewer distractions.

We hope you feel confident that your little one will receive loving care and understanding. Feel free to ask about any of our policies and procedures. We are happy to answer your questions. If we can help in any way, please give us a call.
